

VILLAGE OF NORTH HAVEN

335 FERRY ROAD

SAG HARBOR, NY 11963

November 2, 2020

Dear Residents,

The Village of North Haven has recently changed its leaf pick up program and will only be providing this service to senior citizens whose primary home is on a public road, who are 65 years of age or older, and meet certain income qualifications.

In order to qualify – you must provide the office with a copy of your proof of age and meet certain income requirements. You must be 65 by December 1, 2020 – and have either an Enhanced STAR or Basic STAR exemption on file with the Town of Southampton or provide proof that your adjusted gross income is less than \$250,000 (this is a provision of qualifying for STAR exemptions).

You must request this service. We will not pick up your leaves unless your status is confirmed.

Leaf pick up will take place between November 16, 2020 and December 11, 2020 – weather permitting.

If you have any questions, please call 631-725-1378 or you can email clerk@northhavenvillage.org with your questions.

Eileen M Tuohy

Clerk/Treasurer
