

March 1, 2018

To All North Haven Residents:

The 2018-2019 village tax season is approaching this June.

In preparation, we ask that you please notify North Haven Village Hall of any changes in your mailing address for billing purposes. Tax bills are mailed out the last week in May and are due by July 1st.

If a mortgage company handles your payments, please let us know if the name and address of the mortgage company has changed. Please also make the mortgage company aware that tax season is approaching.

Thank you very much in advance.
