Vol. 3, Issue 8

## Letter from Mayor Chris Fiore

Good day North Haven residents --

Paramount on my mind this week is the untimely passing of our Village Clerk, Eileen Tuohy. She was one of a kind. A person who cared deeply about this village we inhabit, its surroundings, its residents, its natural beauty. I have heard from so many of you in response to the email this week. You commented on how she never shirked her responsibility, was consistently pleasant and cheerful -- always followed up on your questions and requests.....she will be sorely missed.

Visiting hours are this Sunday the 20th at Yardley Pino, 5-8pm. Funeral services are set for Monday morning, 11am at Queen of the Rosary R.C. church in Bridgehampton. There will be a reception at our Village Hall following her burial at Oakland.

**Our Hall will be closed Monday until 1:00 pm.**

Councilman Schiavoni and representatives from the CPF held a meeting last evening at Town Hall in S'hampton. It was the first of two Open Hearings, intended to glean thoughts and comments on a plan devised by the 2 park committees for the 10 acres of the Lovelady property and the field behind. Only a few residents appeared, either on Zoom or in person, and I would hope we will hear from many more of you when we meet again at our Village Hall this coming Thursday, August 24. It has always been the intention of former Mayor Jeff Sander, myself and

the Board of Trustees, along with Councilman Schiavoni, to create a greenspace that is accessible to NH residents, while keeping the fragile ecology of the area top of mind. We have almost 300 acres of open space in our Village; we hope you agree the field containing Cilli/Sebastian pond, can be made available to us for safe and reasonable public access. The plan is available on our website **northhavenny.us** (gov't, parks tab) and we have also posted boards in the conference room at VHall for you to see. Please give us your time this next Thursday at 6 for a review of the Park committee's plans and the opportunity for you to weigh in your thoughts. PS: our Board of Trustees meeting is scheduled for Wednesday, the 23rd, at 5pm. Thanks, as always, and enjoy the weekend!  
Chris

### **Village Updates:**

Residents are reminded to engage professionals to perform routine tree trimming of branches that overhang electrical and Optimum lines to prevent potential outages during storm events. We have experienced several severe storms this summer that have resulted in power and Optimum outages due to falling tree limbs in neighborhoods in North Haven. A little preventative tree trimming can save you and your neighbors unexpected inconvenience!

### **Upcoming Board of Trustees Meeting**

The next meeting will be on Wednesday, August 23 at 5 p.m. at Village Hall and via Zoom. All residents are welcome and encouraged to attend. The agenda for this meeting will be posted on the Village website (**northhavenny.us**) under Minutes and Agendas the Friday before the meeting date. The Zoom meeting link can be found on the home page of the Village website under the calendar entry for the Board of Trustee meeting.

### **Public Hearings:**

#### **Scheduled for August 24 at 6 p.m.**

A public hearing is scheduled on the developing plans and concepts of the **Park at the Lovelady Property** at 19 Sunset Beach Road. The hearing will be hosted by Southampton Town Councilman Tommy John Schiavoni and Southampton CPF Director Jacqueline Fenlon. Plans for the park will be presented by the North Haven 501c3 and Advisory Committee who have been working on the Park. Input from North Haven residents is welcomed at the public hearing.

- August 24<sup>th</sup> at 6 p.m. in person at North Haven Village Hall

Click **HERE** for more information, scan the QR code for the zoom information.

**Scheduled for August 23 at 5 p.m.**

1. A LOCAL LAW AMENDING CHAPTER 163 – ARTICLE I GENERAL PROVISIONS §163-5 DEFINITIONS AND WORD USAGE AND ENACTING ARTICLE XIII – **WETLAND/COASTAL SETBACKS** AND EXCEPTIONS

View the proposed code [HERE](#).

- It is the intent to introduce minimum setbacks for building activities, structures, and accessory structures within wetlands or coastal setbacks in order to protect and preserve environmental areas.

**Updates from the July 19th Board of Trustee's Meeting:**
